SFL Companies Named to *Food Logistics*' 2020 Top 3PL & Cold Storage Providers List

Rochester, Michigan – August 19, 2020 – SFL Companies, a full-service supply chain management and logistics firm focused on technology driven freight management, was named **Top 3PL & Cold Storage Provider 2020** by *Food Logistics*, the only publication exclusively dedicated to covering the movement of product through the global food supply chain. This is SFL Companies fifth time winning this award.

“Today’s 3PLs and cold storage providers are more essential to the movement of food and beverage than ever before. Despite supply chain threats and disruptions, they continue to show their resiliency, strength, and innovation to continue moving product from Point A to Point B,” says Marina Mayer, Editor-in-Chief, *Food Logistics* and *Supply & Demand Chain Executive*.

This year’s **Top 3PL & Cold Storage Providers** list will appear in *Food Logistics*’ August 2020 issue, as well as online at www.foodlogistics.com.

About SFL Companies:

SFL Companies is a full-service supply chain management and logistics firm focused on technology driven freight management. SFL Companies partners with shippers, growers, farmers, and manufacturers as an extension of their transportation and supply chain management team to provide individualized service and unmatched industry standards. Everyday SFL Companies is changing how truckloads of product are transported across the United States. SFL Companies specializes in shipping fresh produce and refrigerated goods.
