SFL Companies Receives 2020 *Supply & Demand Chain Executive* Green Supply Chain Award.

Rochester, Michigan – December 9, 2020 – SFL Companies was selected as a recipient of the Green Supply Chain Award for 2020 by *Supply & Demand Chain Executive*.

The Green Supply Chain Award recognizes companies making green or sustainability a core part of their supply chain strategy and are working to achieve measurable sustainability goals within their own operations and supply chains. The award also recognizes providers of supply chain solutions and services assisting their customers in achieving measurable sustainability goals.

“This year’s 13th-annual award recognizes small, mid-size, and large enterprises that leveraged green practices and solutions to further drive sustainable improvements in their supply chain,” says Marina Mayer, editor-in-chief of *Supply & Demand Chain Executive* and *Food Logistics*. “From software solutions to transportation management systems to several other initiatives designed to reduce carbon footprint and improve the reuse of materials, sustainability continues to rank as a key component to a stronger, safer, and more efficient supply chain.”

About *Supply & Demand Chain Executive*:

Supply Chain & Demand Chain Executive is the executive’s user manual for successful supply and demand chain transformation, utilizing hard-hitting analysis, viewpoints, and unbiased case studies to steer executives and supply management professionals through the complicated, yet critical, world of supply and demand chain enablement to gain competitive advantage.
